## Thematic Research Training 2018-2019

### World-Class Underpinning Bioscience (WCUB) group

#### “HOW WE SEE THE WORLD: Introduction to vision and camouflage”

University of St Andrews Students' Association, Meeting Room

22 St Marys Place, St Andrews, KY16 9UZ

Friday, April 12<sup>th</sup> 2019, 10:30-15:30

### Schedule

Times	Activity
10:30-11:00	Welcome coffee
11:00-11:45	Prof Nick Scott-Samuel (University of Bristol) <b>Introduction to human vision: illusions</b>
11:45-12:30	Prof Innes Cuthill (University of Bristol) <b>Introduction to camouflage</b>
12:30-13:30	Lunch
13:30-15:30	<b>Illusions activity and networking</b>

### Travel information

If you decide to take the train to the **Leuchars** station, we recommend taking the very frequent **bus number 99** to St Andrews. The **Students' Association** is a 3-minute walk from the **St Andrews Bus Station** (see the map on the next page) and we will be waiting at the reception to direct you towards the meeting room. Please get in touch with either of us if you have any questions or if there is anything we can help you with.

### Contact email:
